

Banff Sport Medicine

Organization: Banff Sport Medicine, Canmore, AB

Application Deadline: February 15th 2024

Banff Sport Medicine is currently seeking a full-time **Physiotherapist** to join our growing team.

Banff Sport Medicine (BSM) is a multidisciplinary clinical, education and research facility with the goal of providing world-class musculoskeletal care. BSM offers an outstanding learning and team-based working environment. Our integrated team provides expedient access to health care services including orthopaedic surgery, sport medicine, physiotherapy, bracing and orthotics, dietitian, massage therapy, and strength and conditioning. We provide healthcare services to all ages and abilities, and recreational and elite athletes.

The BSM physiotherapy team believes that rehabilitation is most successful when it engages clients in an active process. Our team integrates movement education, exercise training, manual therapy, and complementary treatments such as intramuscular muscle stimulation, shockwave therapy, and taping. Our clinicians have the opportunity to pursue their professional interests, improve their skills, customize their career paths, and learn from other clinicians with shared interests.

A Unique Opportunity:

- Primarily private caseload, with some WCB and MVA clientele
- One-on-one assessment/treatment sessions with your clients
- Acute Injury clinics working alongside the Sport Medicine Physicians
- Regular clinical skills mentorship, complex case rounds, and journal club
- Custom-built facility in the Shops of Canmore, with state-of-the-art equipment
- Competitive commission compensation

Qualifications / Requirements:

- Baccalaureate or Master of Physiotherapy (or equivalent) from a university program recognized by the Alliance of Physiotherapy Regulators
- Registered in good standing with College of Physical Therapists of Alberta
- Constantly strives for improvement, enjoys learning, provides evidence-informed care
- Excellent interpersonal skills, demonstrates initiative, respect and empathy
- Effective communication with internal and external healthcare providers
- Enjoys teaching and mentoring physiotherapy and other healthcare students
