Banff Sport Medicine

ORTHOPAEDIC CLINIC:

Please refer acute and chronic orthopaedic injuries requiring orthopaedic surgery assessment to this clinic. All referrals are triaged by the orthopaedic surgeons.

Following triage, patients are booked into our clinics for an assessment. Patients may also be seen in Golden, BC, depending on their geographic location.

More urgent cases such as fractures, locked knees and tendon ruptures MUST be discussed with the Orthopedic Surgeon on-call (by contacting our office during regular hours - 403 760 2897 or Mineral Springs Hospital after hours - 403-762-2222) in addition to completion and faxing the referral form to our office.

SPORT MEDICINE CLINIC:

Please refer patients with sport-related injury and illness to this clinic including acute and chronic musculoskeletal injuries, sport-related concussions, overuse injuries, and exercise related medical conditions. All referrals will be triaged by the sport medicine physicians.

Preliminary investigations (i.e. appropriate x-rays or labs) may be requested prior to an appointment being booked. Referrals from physicians and physiotherapists will be accepted.

Please refer to our website for additional information about our clinics and referral processes.
